Bharat Institute of Technology, Sonapat (BITS)

Approved by AICTE & Affiliated to DCRUST, Murthal (Sonapat)

Years ago Gyanpeeth Education Society, realized the need of quality technical education in the Haryana and other states to fulfill this requirement and their personal desire, in 2008, they founded Bharat Institute of Technology, Sonapat (BITS), a brainchild of this Philanthropic society, to change the country from developing to developed. The management of BITS, is committed to provide quality education services and continuous supply of skilled professionals in the development of our nation.

Bharat Institute of Polytechnic, Sonapat (BIPS)

(Approved by AICTE & Affiliated to HSBTE, Panchkula)

The polytechnic education contributes substantially to the socio-economic development of the country as a whole. The development sustenance of the industrial sector is entirely dependent upon the availability for trained and skilled manpower to perform the multidimensional activities needed to keep the wheel of Industry running. Thus the technical Education Department aims towards making available these trained and technically qualified hands to serve the industry.

Bharat Institute of Nursing, Sonapat (BINS)

(Approved by INC & Affiliated to Haryana Nurses Registration Council)

Nursing is the profession which demands dedication, patience, devotion, professional commitment, responsibility, orderliness in working, punctuality, continuous motivation, high level of initiative and self discipline. The professional nurse plays role as a client advocate, an educator, a team leader and accountable for providing quality care for those who are under his/her care.

Bharat Institute of Pharmacy, Sonapat (BIPHS)

(Approved by AICTE, PCI & Affiliated to HSBTE & Pt. BDSUHS, Rohtak)

Bharat Institute of Pharmacy, Sonapat (BIPHS) is the newest institute of Bharat Group of Institutions. It is starting this year from August 2017. Pharmacy is a profession with the art and science of formulation of medicinally active compounds obtained from Natural or Synthetic sources. The scope of Pharmacy practice include more traditional roles such as compounding and dispensing medications, and it also includes more modern services related to healthcare, including clinical services, reviewing medications for safety and efficacy.
